Dear Mr. Zients:

We are writing to invite you to testify before the Subcommittee on Contracting Oversight at a hearing entitled, "Improving Transparency and Accessibility of Federal Contracting Databases." The hearing will be held on Thursday, September 17, 2009 at 2:30 P.M. in Room SD-342 of the Dirksen Senate Office Building.

The purpose of the hearing is to assess current problems with existing federal databases that contain information relating to government contracting and to examine ways to improve the accessibility and transparency of the systems. The hearing will also provide an opportunity to discuss the vision and goals of the Integrated Acquisition Environment and the federal government's plans to streamline, improve, and integrate the existing database systems.

Your testimony should address the role played by the Office of Management and Budget (OMB) in developing, managing, and using federal acquisition systems, including the Federal Procurement Data System (FPDS), the Past Performance Information Retrieval System (PPIRS), the Excluded Parties List System (EPLS), and USAspending.gov. In addition, we would like you to discuss OMB's contribution to the creation and development of the Integrated Acquisition Environment. Your testimony should also address how you plan to ensure that the Integrated Acquisition Environment meets the President's stated goals of improving transparency and accountability in federal contracting.

The Subcommittee requests that you summarize your testimony in 5 minutes, although a longer written statement may be submitted for the official record. This will allow adequate time for you to engage in questions and answers with members of the Subcommittee. Subcommittee rules require that your testimony be submitted by 2:30 P.M. on Tuesday, September 15, 2009. Please send an electronic copy of your written statement and a brief one page biography to Subcommittee Clerk, Kelsey Stroud, at Kelsey.Stroud@hsgac.senate.gov.

We look forward to your participation in this hearing. Please contact Alan Kahn with Senator McCaskill's Subcommittee staff at (202) 224-3230 or Molly Wilkinson with Senator Bennett's Subcommittee staff at (202) 228-3141 with any questions.
