Dear Mr. Tangherlini:

On March 6, 2014, the Subcommittee on Financial and Contracting Oversight is holding a hearing entitled, "Oversight of Contractor Performance Information." The purpose of the hearing is to examine how the federal government collects, manages, and uses information about contractor performance and integrity, including how the Federal Awardee Performance and Integrity Information System (FAPIIS) works with the Contractor Performance Assessment Reporting System (CPARS). To assist the Subcommittee in preparing for this hearing, I request that you provide access to CPARS for both Majority and Minority Subcommittee staff.

We appreciate your assistance with this request. Please contact Cathy Yu with the Subcommittee staff at (202) 224-9383 with any questions.

Sincerely,

Claire McCaskill
Chairman
Subcommittee on Financial and
Contracting Oversight
