IN THE SENATE OF THE UNITED STATES

AUGUST 1, 2013

Mr. LEVIN (for himself, Mr. GRASSLEY, Mrs. FEINSTEIN, and Mr. HARKIN) introduced the following bill; which was read twice and referred to the Committee on the Judiciary

A BILL

To ensure that persons who form corporations in the United States disclose the beneficial owners of those corporations, in order to prevent the formation of corporations with hidden owners, stop the misuse of United States corporations by wrongdoers, and assist law enforcement in detecting, preventing, and punishing terrorism, money laundering, tax evasion, and other criminal and civil misconduct involving United States corporations, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Incorporation Trans-
3 parency and Law Enforcement Assistance Act”.

4 **SEC. 2. FINDINGS.**

5 Congress finds the following:

6 (1) Nearly 2,000,000 corporations and limited
7 liability companies are being formed under the laws
8 of the States each year.

9 (2) Very few States obtain meaningful informa-
10 tion about the beneficial owners of the corporations
11 and limited liability companies formed under their
12 laws.

13 (3) A person forming a corporation or limited
14 liability company within the United States typically
15 provides less information to the State of incorpora-
16 tion than is needed to obtain a bank account or driv-
17 er’s license and typically does not name a single ben-
18 efiticial owner.

19 (4) Terrorists and other criminals have ex-
20 ploited the weaknesses in State formation proce-
21 dures to conceal their identities when forming cor-
22 porations or limited liability companies in the United
23 States, and have then used the newly created enti-
24 ties to support terrorist organizations, drug traf-
25 ficking organizations, and international organized
26 crime groups, as well as commit misconduct affect-

1 ing interstate and international commerce such as
2 trafficking in illicit drugs, illegal arms trafficking,
3 money laundering, tax evasion, Internet-based fraud,
4 securities fraud, financial fraud, intellectual property
5 crimes, and acts of corruption.

6 (5) Among those who have abused State incor-
7 poration procedures is Victor Bout, a Russian arms
8 dealer who used at least 12 companies incorporated
9 in Texas, Florida, and Delaware to carry out his ac-
10 tivities, and has been convicted, in part, for con-
11 spiring to sell weapons to a terrorist organization
12 trying to kill citizens of the United States and Fed-
13 eral officers and employees.

14 (6) Law enforcement efforts to investigate cor-
15 porations and limited liability companies suspected
16 of wrongdoing have been impeded by the lack of
17 available beneficial ownership information, as docu-
18 mented in reports and testimony by officials from
19 the Department of Justice, the Department of
20 Homeland Security, the Financial Crimes Enforce-
21 ment Network of the Department of the Treasury,
22 the Internal Revenue Service, the Government Ac-
23 countability Office, and others.

24 (7) In July 2006, a leading international anti-
25 money laundering and anti-terrorist financing orga-

1 nization, the Financial Action Task Force on Money
2 Laundering (in this section referred to as “FATF”),
3 of which the United States is a member, issued a re-
4 port that criticized the United States for failing to
5 comply with a FATF standard on the need to collect
6 beneficial ownership information and urged the
7 United States to correct this deficiency by July
8 2008.

9 (8) In response to the FATF report and to
10 strengthen measures to protect homeland security,
11 Federal officials have repeatedly urged the States to
12 improve their formation practices by obtaining bene-
13 ficial ownership information for the corporations and
14 limited liability companies formed under the laws of
15 such States. But the States continue to form mil-
16 lions of corporations with hidden owners.

17 (9) Many States have established automated
18 procedures that allow a person to form a new cor-
19 poration or limited liability company within the
20 State within 24 hours of filing an online application,
21 without any prior review of the application by a
22 State official. In exchange for a substantial fee, 2
23 States will form a corporation within 1 hour of a re-
24 quest.

1 (10) Dozens of Internet websites highlight the
2 anonymity of beneficial owners allowed under the
3 formation practices of some States, point to those
4 practices as a reason to incorporate in those States,
5 and list those States together with offshore jurisdic-
6 tions as preferred locations for the formation of new
7 corporations, essentially inviting terrorists and other
8 wrongdoers to form entities within the United
9 States.

10 (11) In contrast to practices in the United
11 States, all 28 countries in the European Union are
12 already required to have formation agents identify
13 the beneficial owners of the corporations formed by
14 those agents under the laws of those countries.

15 (12) To reduce the vulnerability of the United
16 States to wrongdoing by United States corporations
17 and limited liability companies with hidden owners,
18 protect interstate and international commerce from
19 terrorists and other criminals misusing United
20 States corporations and limited liability companies,
21 strengthen law enforcement investigations of suspect
22 corporations and limited liability companies, set min-
23 imum standards for and level the playing field
24 among State formation practices, and bring the
25 United States into compliance with international

1 anti-money laundering and anti-terrorist financing
 2 standards, Federal legislation is needed to require
 3 the States to obtain beneficial ownership information
 4 for the corporations and limited liability companies
 5 formed under the laws of such States.

6 **SEC. 3. TRANSPARENT INCORPORATION PRACTICES.**

7 (a) TRANSPARENT INCORPORATION PRACTICES.—
 8 Part E of title I of the Omnibus Crime Control and Safe
 9 Streets Act of 1968 (42 U.S.C. 3750 et seq.) is amended

8 liability company and the information de-

20 submit to the State an updated list of the
21 beneficial owners and the information de-
22 scribed in subparagraph (A) for each such
23 beneficial owner not later than 10 days
24 after the date on which the formation

1 agent transfers the corporation or limited
2 liability company to another person; and

3 “(iii) the corporation or limited liabil-
4 ity company is required by the State to
5 submit to the State an annual filing con-
6 taining the list of the beneficial owners of
7 the corporation or limited liability company
8 and the information described in subpara-
9 graph (A) for each such beneficial owner.

11 efiticial ownership information relating to each
12 corporation or limited liability company formed
13 under the laws of the State is required to be

15 year period beginning on the date that the cor-

17 not issue a certificate in bearer form evidencing
18 either a whole or fractional interest in the cor-
19 poration or limited liability company.

20 “(2) STATES THAT LICENSE FORMATION
21 AGENTS.—

22 “(A) IN GENERAL.—To meet the require-
23 ments under this section, a State described in
24 subparagraph (B) may permit an applicant to
25 form a corporation or limited liability company

1 under the laws of the State, or a corporation or
2 limited liability company formed under the laws
3 of the State, to provide the required informa-

5 the State, instead of to the State directly, if the
